

Firefighter

The Mauldin City Fire Department currently has open positions and is also updating our hiring pool for 2016 and is seeking applicants for the position of Firefighter.

Under supervision of the station officer, the firefighter will provide responsible work for the daily delivery of services such as fire suppression, emergency medical first response, fire prevention, pre-fire planning, technical rescue and hazardous materials response. The firefighter is responsible for participating in physical fitness and firefighter training with their assigned crew each shift. This person will assist their assigned crew in maintaining a competent level of operational readiness of their assigned station and department apparatus.

Essential Functions:

- Responds to emergency incidents as a crew member and functions as assigned in accordance with the National Incident Management System.
- Completes tasks as assigned from the supervisor.
- Completes assigned progressive training and follows mentoring and coaching advice from supervisors for career development.

Acceptable education, training and experience:

High school diploma or equivalent along with 1 year of verifiable firefighting experience (career or volunteer). CDL or Class E license.

Special Requirements: The candidate should have the following certifications*:

- NFPA Firefighter II (IFSAC or Pro Board)
- National Registered EMT-B (*Applicants without EMT-B will be accepted, but must agree to enroll in an EMT class within 1 year of hire date.*)

The Mauldin Fire Department offers a competitive salary and benefits package, including additional compensation for night time responses. Salary increases above base starting pay for applicants with EMT-B, EMT-I or EMT-P certifications.

* Please include a copy of your Fire Academy transcript and your 10 year DMV record with your application.

Interested applicants must submit an application and resume to:

**Mauldin Fire Department
ATT: Bill Stewart, Fire Chief
9 East Butler Road, P.O. Box 249
Mauldin, South Carolina 29662**

Applications are available at City Hall or on the city web site: www.cityofmauldin.org
