

# **Mauldin Recreation Football**

## ***Player Participation Rules and Coaches Conduct Rules***

Player participation rules will be governed by Mauldin Recreation and will be enforced on Mauldin Recreation teams. This does not apply to the teams we play against. Every organization has their own set of player participation rules.

- Each player is to play 4 plays a half without it being a special team.

Coaches Conduct will be enforced on all coaches that are on Mauldin Recreation Fields.

- Any personal foul received by a coach will be charged to the head coach. If the coaching staff receives 2 personal fouls in one game the head coach is tossed from the game.
- The coach shall refrain from any profanity
- The coach shall avoid the use of alcohol when in contact with players
- The coach shall be aware that he or she has a tremendous influence, for either good or ill, on the education of the players and, thus, shall never place the value of winning above the value of instilling the highest ideals of character.
- All coaches must be on the side line in the team / coach's box except for 8U which allows one coach on the field at all times.
