 - a. Consideration and action on approval of a Resolution in support of the City of Mauldin applying for an economic development grant from MASC (Committee of the Whole)
Councilman Matney said we have the opportunity to apply for a MASC grant to help pay for the SFA study. Councilman Matney made a motion to adopt the resolution allowing us to apply for this grant. Councilman Crosby seconded.

Councilman Goodson asked about this. Trey said this is the first year MASC has had an economic development grant. There are over 50 applicants. Council has approved the SFA study and funding it with H&A money. This would help offset the cost of the study if we receive the grant. The vote was unanimous (5-0).
