

Mauldin's Legacy Continued...

The City of Mauldin is compiling information - pictures, news articles, family histories, church, business and school histories - to commemorate the Centennial Celebration of Mauldin's Incorporation in 1910.

But...we need your help!

Any information you would be willing to share would be greatly appreciated. We would like to interview you, scan any documentation and pictures about your heritage. If there are any artifacts you would allow us to document and photograph, that would be helpful as well.

Call or email today to set up an appointment as soon as possible so we may include your story before our deadline.

We are also in the process of recording oral interviews and events on DVD and documenting our cemeteries on DVD as well.

Artifacts will be on display in the Cultural Center to teach newcomers and children Mauldin's way of life as it began as Butler's Cross Roads and how Mauldin continues to thrive as a City.

Loans or donations of artifacts are needed as well as your stories to complete the picture of Mauldin.

The first publication, "Mauldin's Legacy and Its People" documents history through 1984. It is our hope to republish this book as Volume I. Our mission is to publish Volume II documenting Mauldin's history from 1984 to the present time.

Included in the original manuscript is early history, cemeteries, photos of families, the city in its early days, organizations, churches, schools, communities, professionals and our early politicians.

The book is truly a "Legacy" and was beautifully done by the original Committee: Mae Walker, Mary Forrester, Martha Clyde and Karen and Adam Fisher. We thank them for their contribution.
